Re Bureau letter to Albany dated 4/28/72.

Referenced Bureau letter requested each office to conduct a survey to determine if the VVAW Chapters exist and to report specific information about them by 5/30/72.

Omaha did not make an administrative tickler for this deadline. The Case Agent was involved in duties connected with the inspection of the Omaha Office the last two weeks in May and was also involved in duties as a relief supervisor shortly thereafter. The Case Agent realizes it was his responsibility to answer on time, however, this deadline was inadvertently overlooked. Every effort will be made to prevent this from occurring again.

The situation concerning the VVAW in the Omaha Division is as follows:

1. The Bureau was advised by letter dated 2/15/72, that Omaha did not have any organized Chapters of the VVAW. This situation has not changed as of this date. It was pointed out at that time that Omaha did have a group at the University of Iowa called Iowa Veterans Against The War, who were affiliated with the National VVAW. A report and LHM have been submitted to the Bureau on this group, which was never very active. As of May, 1972, informants advised that the Iowa Veterans Against The War existed in name only and are completely inactive. This case is still pending in the Omaha Division; however, it will be closed in the near future.

The Iowa Veterans Against The War have not been a violent group and have been identified as not being associated with other radical students on the University of Iowa campus such as the SDS and the New University Conference. There has been no indication through literature or other means to indicate that the VVAW has active chapters in the Omaha Division. In addition, there has been no indication that persons from the Omaha Division have participated in any national meetings of the VVAW.

3. The Iowa Veterans Against The War have furnished information indicating that they did not participate in antiwar demonstrations. Jacksonville is aware that the deadline for this information was 5/30/72, however, as a "Southern Alliance of VVAW" was held Gainesville, Florida 5/27-29/72, it was hoped that specific information regarding strength of VVAW, Jacksonville Division, could be obtained and could be incorporated into this airtel. Unfortunately, this was not the case.

There is only one chapter of VVAW within Jacksonville Division. That is located in Gainesville, Florida and is headed by SCOTT CAMIL who serves as the leader of the Gainesville Chapter of VVAW, as well as the Southeast Regional Coordinator responsible for Florida, Georgia, Alabama, Kentucky, and Tennessee.

As of this date, the known members of VVAW in Gainesville, Florida, aside from SCOTT CAMIL, include:

[Redacted information]

Although not a member of VVAW, is closely associated with the organization and SCOTT CAMIL. Although CAMIL has, in the past, professed a membership in Gainesville, Florida of 25 to 50 members, it has been determined by Jacksonville Division that in actuality the total number has never exceeded 8 or 9.
Individual reports are being prepared on the above individuals and included therein will be information regarding their military background and training.

As CARL has provided reliable information concerning the activities of VVAW, Gainesville, and has become suspect of most all of his associates and is "running scared" of informants, it is felt that to inject a new face into this organization for informant purposes would be fruitless.

Jacksonville is in the process of preparing an up-to-date report on VVAW, Gainesville, Florida and it will be submitted to the Bureau promptly.

The New York Office is intensifying efforts to augment this informant coverage.

The chapters of the VVAW in the New York City area have engaged in relatively little activity in the form of demonstrations or otherwise and that activity that has occurred, has been peaceful in nature.

RePXlet to Bu, 3/30/72 and Bulet to all offices, 4/28/72. 

1. There are no known VVAW chapters in the Phoenix Division. No meeting places have been established in the Phoenix Division. Referenced Phoenix letter to the Bureau, 3/30/72, stated that there has been no VVAW activity in the Phoenix Division since 1/72. In the past, VVAW activity has consisted of a few individuals participating in demonstrations held within the Division. Recent antiwar demonstrations sponsored by coalition of groups from both Arizona State University (ASU) in Tempe, Arizona, and the University of Arizona (UA), in Tucson, Arizona, have had participants claiming to be Veterans in opposition to the war. Advised that during a recent antiwar demonstration at ASU, a few individuals displayed placards denoting Veteran opposition but the names of these individuals has not been determined.

2. Advised on 5/14/72, that during a recent antiwar demonstration at ASU, a [REDACTED] undertook leadership role in a group proclaiming to be VVAW. Investigation has been initiated on these individuals to determine background and specifically, determine if they are bonafide Vietnam Veterans with any knowledge of explosives.

Contact with sources and all resident agency territories developed no information indicating the existence of VVAW chapters in those areas.

On 5/16/72, [redacted] advised that while the above may be called chapters, they are not separate chapters, but
all operate as part of the Pittsburgh VVAW office. He said none of the above groups would have more than three or four people and most will only have the organizer. He said they hold no formal meetings and have no office space.

Pittsburgh has opened separate investigative cases on each of the above individuals. If through the individual investigations, evidence is developed indicating separate VVAW chapters exist, cases will then be opened on that chapter.

2. VVAW Membership

Membership in Pittsburgh VVAW fluctuates from week to week so it is difficult to determine exact membership. There is much dissension in the Pittsburgh chapter so new members usually do not last very long.

On 5/16/72, [redacted] advised that in addition to the individuals mentioned above, the Pittsburgh chapter has the following who can be considered active members:

Pittsburgh currently has pending investigations on and will immediately open cases on all other individuals mentioned above. None of the individuals mentioned above are currently on ADEX, but will be considered for ADEX after sufficient investigation has been conducted to properly evaluate their potential.

Rebulet 4/28/72.

Set out hereafter is the summary of information requested in rebulet.

I. LOCATION OF ALL VVAW CHAPTERS

A. Bellingham, Washington:

On May 12, 1972, Security Officer, Western Washington State College (WWSC) Bellingham, reported a group of about ten students from WWSC who were believed to be members of VVAW conducted a symbolic mining of Bellingham Bay the previous day to protest the mining of North Vietnam ports by United States forces. The identities of the students were not known but efforts are being made to determine who they are.

A separate case has been opened to determine if a separate chapter of VVAW exists at WWSC and the identities of those persons affiliated with it.

The only known chapter of VVAW in the State of Washington is at Seattle. A report 3/24/72, the Washington-Alaska regional office is headed by MIKE DEDRICK and is located at 520 East Malden, Seattle, telephone 224-7539, which number is listed to that address.

II. IDENTITIES OF KNOWN VVAW MEMBERS:

MICHAEL ROBERT DEDRICK

As indicated in I-B, DEDRICK reportedly is the head of the Washington-Alaska regional office of VVAW.

B. JOHN W. SCHEDLER

On 10/20/71, the "University of Washington Daily," a student newspaper published at Seattle, reported SCHEDLER was the coordinator at that university of VVAW.
This name with the telephone number EM 2-0250 appeared on a leaflet made available by [redacted] on 11/1/71 as being the person to contact regarding the VVAW at Highline Community College, Seattle.

This name and telephone number MA 3-7354 are from the same source as in C above. He was covering the Seattle Community College for VVAW. Similar action is being taken concerning him.

On May 12, 1972, the Seattle Police Department reported the seven persons described later in this communication identified themselves as representatives of the VVAW during an attempted takeover of the Republican Party headquarters office the previous day at Seattle. Case files have been opened on each to determine if they are veterans, if they have had specialized training of the type the Bureau is interested in and if they qualify for ADEX.

Seattle sources are furnishing limited coverage of VVAW activities. Attempts are being made to obtain one or more discharged Vietnam veterans to assist the PI as informants while they are attending some college or university at Seattle. This matter will be closely followed and greater coverage will be obtained on the VVAW.

ReBullet to Albany and other offices dated 4/28/72.

Referenced Bullet requested investigation of all local VVAW chapters to determine actual scope of current VVAW activities, membership, and coverage afforded local group.

The following information is based upon WFO investigation of local VVAW chapter and is set out in appropriate subheading:

A. Location of WDC, VVAW Chapter

The WDC Branch of VVAW is located and operated from 2312.19th Street, N.W., WDC, a private residence. In addition to this residence, the local chapter maintains a small office consisting of a telephone answering service in Room 423, Student Activities Building, George Washington University, WDC.

Approved: 56 AUG 21 1972

Special Agent in Charge

Sent M Per
The WDC Chapter to date is very small, consisting of no more than five active members. Members in chapter have been relatively inactive for the last eight months with present members more content to talk but not participate in VVAW activities. The local chapter does support National VVAW sponsored activities called for in the WDC area and on these occasions, the local chapter will call on the support of local sympathetic Vietnam veterans who reside in the WDC area but do not belong to the local chapter and from regional members - i.e., Maryland and Virginia chapter, VVAW members.

B. Names of Members

The following is a list of known WDC Chapter, VVAW members:

(1) WFO 100-56017

He is a bona fide Vietnam veteran but not known if he has received specialized military training in explosives.

(2) WFO investigation reflects that results did not warrant ADEX inclusion. He is an Army veteran, actual Vietnam assignment not known nor is it known if he has received specialized military training in explosives.

(3) presently resides at 231 19th Street, N.W., residence of local VVAW Charter. He is a Vietnam veteran, serving as a no specific information available that he has received specialized military training in explosives. During 1971, was very active in VVAW activities which were taking place in WDC but since then has been relatively inactive in taking
part in any VVAV sponsored activities. WFO investigation reveals that subject's activities did not warrant inclusion on ADEX. **MEMBER OF SUBJECT ORGANIZATION**

He served in U.S. Army for two years and is a Vietnam veteran. **REDACTED** was very active in VVAV activities in 1971 during VVAV camp-in on mall, WDC, but since then has been inactive in VVAV activities. WFO investigation reflects results of investigation did not warrant inclusion on ADEX. It is not known if **REDACTED** has received specialized military training in explosives.

C. Informant Coverage

WFO has utilized **REDACTED** in obtaining information on local VVAV activities. Source is **REDACTED** in a position to furnish very reliable information. During April, source had provided reliable information on proposed national VVAV demonstration in WDC and provided information as to location, names, and activities of local group.

WFO is initiating new efforts to obtain adequate informant coverage of local VVAV group.

For information Bureau, WFO is attempting through a search of military records to determine if above-mentioned known WDC VVAV members had received any specialized military training in explosives during their tour of duty with U.S. service units.

Re Bureau letter to Albany 4/28/72.

The following is result of a survey by the Kansas City Division as requested by the Bureau in referenced communication:

I. LOCATIONS OF ALL VVAW CHAPTERS IN KANSAS CITY DIVISION

VVAW chapters currently exist in three cities within the Kansas City Division, which are as follows:

Kansas City, KC 100-14635
Topeka, Kansas, KC 100-14963
Wichita, Kansas, KC 100-15206

Chapters in Topeka and Wichita have only recently been organized.

A) The following listed individuals are known Kansas City VVAW members:

Approved: [Signature]  
Sent: [Signature]  
Special Agent in Charge  
U.S. GOVERNMENT PRINTING OFFICE: 1971-313-125
The following individuals are members and cases are being opened for investigation:

8) The following listed individuals are members of the Topeka, Kansas, VVAW:
C) The following listed individuals are members of the Wichita, Kansas, VVAW:

D) Two of the above mentioned VVAW members are on Adex, Category III:

Recommendations will be made in the future regarding the remainder of individuals under investigation by the Kansas City Division.

The following of the above listed individuals are known Vietnam veterans:
Investigation has not reflected any of the above individuals have received specialized military training in explosives or other skills used in urban warfare or violent revolutionary activities other than normal, routine military training.

The Kansas City Division in the past has only opened cases on VVAW leaders, including members who appear to be more radical and members who regularly participate in demonstrations.

UACB, Kansas City is not opening cases on above individuals where a case file number does not follow the individual's name.

III. EXTENT OF LIVE INFORMANT COVERAGE CURRENTLY AVAILABLE FOR EACH CHAPTER

The following informants are specifically targeted for the Kansas City VVAW:

The above two informants are in continuous contact with the other VVAW chapters in the Division and are able to give coverage regarding chapters outside Kansas City.

As chapters in Wichita and Topeka only recently became organized, no sources are presently targeted for either chapter. Discreet interviews currently are being made to augment informant coverage.

INASMUCH AS NO MOTORCYCLES ARE AVAILABLE TO TAKE ALONG FOR ADDITIONAL TRANSPORTATION, IT IS FURTHER RECOMMENDED ALSO BE PLACED ON SPECIAL ASSIGNMENT TO TRAVEL TO MIAMI IN THIS CARAVAN. THIS RECOMMENDATION IS BASED UPON THE FACT THE VAN WHICH WAS TO HAUL THE MOTORCYCLES WILL BE RELATIVELY EMPTY AND VVAW REPRESENTATIVES IN CONTACT WITH.
OUR SAS, MAY WANT TO PLACE SOME OF THEIR OWN PEOPLE IN THIS VAN. IT IS ALSO FELT THAT THE ADDITION OF THIS SA WILL AFFORD GREATER SECURITY TO THIS OPERATION SINCE WE WILL THEN HAVE AGENTS TRAVELING IN PAIRS RATHER THAN SINGLY, WHICH IS MORE DESIRABLE FROM A SECURITY STANDPOINT.

SINCE VVAVW ESTIMATES ARE THAT THERE WILL BE FIFTY VEHICLES IN THE CARAVAN FROM LOS ANGELES, LOS ANGELES FEELS GREATER COVERAGE WILL BE AFFORDED BY SENDING THE TWO VANS AND FOUR SAS. ALSO, IT WILL GAIN GREATER CREDIBILITY TO THE NOVEMBER COMMITTEE.

6. The Harrisburg Chapter has one active member.

7. The Fishtown Chapter is a new chapter which is located in Philadelphia a few miles from the downtown Philadelphia VVAW Chapter. Fishtown currently has no organization, leadership, or meetings and is closely related to the Philadelphia Chapter of the VVAW.

8. The Philadelphia Chapter has a membership of approximately 40; however, a majority of these 40 individuals have never attended meetings or participated in activities since the chapter formed.

The source further advised that although the national headquarters of the VVAW has granted charters to all of the above chapters it can be said that they exist in name only. This evaluation is based on the fact that these chapters, with the exception of the Philadelphia Chapter, usually consist of one active member, who is the leader. In addition, meetings are infrequently held and all of these chapters constantly look to the Philadelphia Chapter for the contents of directories issued by VVAW: National Headquarters. These chapters also look to the Philadelphia Chapter to formulate any plans, such as demonstrations, marches, or rallies.

Although the above chapters do, in fact, exist, in actuality they exist only in name only, are poorly organized, have no communication with National Headquarters, and constantly rely on the Philadelphia Chapter for direction. Thus, it could be said that they serve as satellite chapters to the Philadelphia Chapter. They have been established because of geographical necessity in that members in outlying areas find it impossible to travel to Philadelphia for VVAW meetings.

Based on the above information, Philadelphia is not opening separate case files on the satellite VVAW chapters. Case files have been opened or will be opened on the members of these chapters, and they are related to all.

RE: ALABAMA-MISSISSIPPI VIETNAM VETERANS AGAINST THE WAR, INC., TUSCALOOSA, ALABAMA

On August 3, 1972, a source of unknown reliability advised that the Tuscaloosa Chapter of captioned organization is making tentative plans to attend the Republican National Convention scheduled for Miami, Florida, in August 1972.

Vietnam Veterans Against the War (VVAW) is an anti-war organization organized in 1967 and headquartered in New York City. Its published objective is to "demand an immediate cessation of fighting and the withdrawal of all American troops from Indochina." VVAW has participated in several demonstrations, including massive demonstration in Washington, D.C., April 19-23, 1971.

The Tuscaloosa Chapter of VVAW is planning to meet with other VVAW groups in Atlanta, Georgia, August 11, 1972. These other groups are parts of several convoys converging on the Convention from Los Angeles, Seattle and Boston.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.
Source advised that he has no information indicating that the Tuscaloosa Chapter might participate with the Jackson, Mississippi, and Auburn, Alabama, Chapters at Miami.

In response to request, the following is set forth:

1. The Regional Office which covers Colorado, Wyoming, and Utah, and which is currently located at 847 East Colfax, Denver, Colorado, has been handling the planning of VVAV activities in the Denver/Boulder/Colorado Springs area and draws support from other members located in other Colorado cities. No Denver chapter, as such, exists. Leaflets handed out by VVAV in the past have indicated a chapter exists at Box #911, Student Center, Colorado State University (CSU), Fort Collins, Colorado, telephone #493-2364, and that VVAV has contacts in Greeley, Colorado, telephone #353-7913, and in Boulder, Colorado, telephone #449-5926. A news article appearing in the "Rocky Mountain News," a daily Denver, Colorado, newspaper, issue of 11/4/71, indicated that a VVAV chapter exists in Greeley, and that RICK CHRISTMAS, age 26, was the president.

Since information indicates chapters exist in Fort Collins and Greeley, cases are being opened as instructed, and LHM will be submitted promptly reporting results of investigation.

2. As mentioned above, the enclosed

Involving towns in Utah was previously furnished Salt Lake City by Denver.

It is noted that only 160 males participated in the VVAW contingent, half of which made an unauthorized attempt to join the official Veterans Day parade in Denver on 10/23/71, and while an estimated 950 marched behind the VVAW banner in the 11/6/71, anti-war march and rally sponsored by the Colorado Peace Action Coalition (CPAC), they consisted of both males and females and many did not appear to be of a logical age to be in VVAW.

Only 25 were present to hold an anti-war memorial service at the State Capitol on 12/31/71.

An estimated 25 to 35 at Fort Collins, Colorado, and 30 at Greeley, Colorado, have turned out for the few local peaceful VVAW demonstrations in those areas. Those who have appeared at Fort Carson near Colorado Springs in the past have come from Denver.
Others whose names have come up in past press coverage as being connected with the Denver VVAW office are:

STEVE NORRIS;
PHIL YOUNG;
RAY CHASE;
JOHN CASE;
DAN BATEMAN;
DEAN PHILLIPS;
LAWRENCE W. HARROD;
PETER B. KING; and
EDWIN MORLAN.

Investigation regarding the Fort Collins telephone number revealed that it lists to [redacted]. The telephone number in Greeley lists to [redacted].

On 5/10/72, SA determined discreetly at the Activities Desk, University of Colorado (CU), Boulder, that while no chapter appears to exist as such, VVAW has use of space in room #183-A in the University Memorial Center, and VVAW coordinators are GRIFFITHS S. ELLIS and JASON SHERMAN.
At present, Denver has cases pending on the following individuals:

Both cases are presently closed, however, the case on
is being reopened by this communication in view of his having
been arrested 5/20/72, at Fort Carson, Colorado, for throwing
a substance which appeared to be blood on the clothing of a
Fort Carson officer.
Denver is opening cases on the following individuals, all of whom have been mentioned above and some of whom appear on the enclosed
and are both on ADEX.

Category III. No information has been developed to date indicating any of those currently being investigated have received special military training in explosives or guerrilla skills.

Sources thereby are able to furnish considerable information regarding plans of VVAV. Further, an individual is able to learn of planned activities of the group.

No live coverage by FBI sources currently exists at Fort Collins; however, efforts are underway to obtain such
coverage. It noted that campus security at CSU, Fort Collins, has several sources covering activities of various campus groups, and through this means, as well as through VVAW publicity, the Denver Division has been kept advised of planned activities of the group.

Logical sources, Knoxville Division, have been contacted; however, no information has been received that the VVAW is active in this division.

For information of Bureau and New York, an organization by the name of Veterans Against the War (VAW) was formed on the University of Tennessee (UT) Campus, Knoxville, Tenn., in May - June, 1971; however, this organization has not been active since that date and was not associated with the VVAW.

This organization was a paper organization and all veterans at UT were considered members of this organization.

In view of the above, no further action being taken in this matter and if any information is received that the VVAW is active, this case will be reopened and appropriate investigation conducted per instructions set forth in referenced letter.

TO Mr. E. S. Miller

FROM

DATE: 8/8/72

SUBJECT: VIETNAM VETERANS AGAINST THE WAR (VVAV)
INTERNAL SECURITY--REVOLUTIONARY ACTIVITIES

PURPOSE:

To recommend that in response to specific request of
Departmental Attorney Gay L. Goodrich, information developed by
be utilized for purpose of obtaining search warrant in case involving indictment of six
Vietnam Veterans Against the War (VVAV) members in Florida for
violation of Federal laws.

BACKGROUND:

Information has previously been reported concerning
the fact that a Federal Grand Jury (FGJ) in Tallahassee, Florida,
returned indictment on 7/13/72 against six VVAV members, including
violence-prone Southeast U.S. VVAV leader Scott Camil, charging
conspiracy to violate Federal antiterror statutes. Indictment
further charged Camil with being in possession of incendiary
device and teaching techniques which could cause death or injury.

Memorandum to Mr. E. S. Miller
Re: Vietnam Veterans Against the War
100-448092

as basis for affidavit in support of search warrant has been discussed with Departmental attorney Guy L. Goodwin, who handled presentation to FGJ. While recognizing the obvious advantage of obtaining search warrant to seize wrist rockets, we advised Goodwin of the extreme sensitivity of the position. This position was appreciated by Goodwin, no official request was made for search warrant and no recommendations were made in this regard.

The wrist rockets were traced to hippie-style store in Gainesville, Florida, named Wang Dang Doodle (WDD). Individual who purchased wrist rockets has been identified as, was interviewed by Bureau Agents on 8/5/72 and has admitted ordering rockets but refused to answer any questions concerning his relationship with Camil. He was subpoenaed to appear before FGJ on 8/8/72. Goodwin presumes will refuse to answer questions and plans to prepare immunity papers to insure his testimony. Jacksonville has determined wrist rockets are visible in show window of WDD and Jacksonville Agents are maintaining 24-hour surveillance at WDD to insure rockets are not moved. On 8/7/72 Goodwin stated that this would probably be last opportunity to seize wrist rockets before they are moved again and requested
Memorandum to Mr. E. S. Miller
Re: Vietnam Veterans Against the War
100-448092

that expeditious consideration be given to using information for obtaining a search warrant. Goodwin further indicated that based on all testimony and evidence to date, seizure of wrist rockets is absolutely essential to successful outcome of trial in this case, and search warrant should be executed without any delay.

OBSERVATIONS:

There is no question that has been vital and instrumental in accumulating much of the evidence we have.

ACTION:

Attached for approval is letter to Assistant Attorney General, Internal Security Division, interposing no objection

to utilization of information for search warrant affidavit. Supervisor
Jacksonville Division, contacted telephonically on evening of 8/7/72 and concurred
with proposed action. Confirmation of action and appropriate
instructions to Jacksonville will be handled by separate teletype.
In view of urgent time factor and to expedite handling of this
matter, it is requested, if approved, that attached letter be
returned to Domestic Intelligence Division for hand delivery to
Assistant Attorney General. (8-7-72)
This will confirm a conversation on August 7, 1972, between Mr. Guy L. Goodwin of your Division and Special Agent Robert L. Fence of this Bureau concerning the necessity of utilizing information from FBI informant [redacted] to obtain a search warrant for seizure of important physical evidence in the case involving indictment of six VFW members by a Florida Federal Grand Jury for violation of Federal statutes.

The importance of obtaining necessary physical evidence for prosecution in this matter is fully appreciated. Accordingly, this Bureau interposes no objection to the utilization of information [redacted] in an affidavit to obtain a search warrant.

Re: Letter to all offices dated 4/28/72, and PXlet to the Bureau dated 5/6/72.

As indicated in referenced Phoenix letter to the Bureau, Phoenix has initiated investigation to identify individuals who undertook leadership roles at Arizona State University (ASU) anti-war demonstrations in the Spring. Inquiries have also been conducted in regards to the firebombing of a recruiting station in Tempe, Arizona. As a result of these inquiries, four members of the VVAW appeared at the Phoenix Office of the FBI to inquire as to the nature and reasons for the Bureau investigations.

They stated there is an Arizona chapter of the VVAW. These individuals declined to state the number of members involved; however, they did speak freely concerning the objectives of the VVAW. They emphatically stated that they are non-violent and their intention is not to drastically alter the Government or the democratic process, rather to see the Viet Nam war ended. The end of the war is their main objective.

SUBJECT: VIETNAM VETERANS AGAINST THE WAR (VVAW)
INTERNAL SECURITY - REVOLUTIONARY ACTIVITIES

PURPOSE:

To advise that based on affidavit containing probable cause, search warrant was executed in Gainesville, Florida, on 8/10/72 and substantial evidence seized in form of high-powered wrist rocket slingshots of vital significance in case involving indictment of six Vietnam Veterans Against the War (VVAW) members for violation of Federal laws.

BACKGROUND:

By to Mr. E. S. Miller memorandum dated 8/8/72 it was recommended and approved that in response to specific request from Department we permit information from to be included in search warrant affidavit to establish probable cause for search of hippie-style store in Gainesville, Florida, named Wang Bang Doodle (WDD). Basis of desire to search WDD was fact furnished information strongly indicating that a large number of wrist rockets observed in possession of Scott Camil, violence-prone VVAW Southeast U. S. leader and one of those indicted, had been returned to WDD. Based on this information and fact that Departmental attorney Guy L. Goodwin, handling case for Department, felt that seizure of wrist rockets was absolutely essential to successful outcome of case, it was decided that the best course of action was to have search warrant issued and executed.
Memorandum to Mr. E. S. Miller
Re: Vietnam Veterans Against the War
100-448092

During morning of 8/10/72 Supervisor Domestic Intelligence Division, and Guy L. Goodwin prepare material for search warrant affidavit showing probable cause, after which information was relayed to Jacksonville Office for preparation of affidavit. Search warrant was filed and obtained from U. S. Magistrate Charles G. Felder, Northern District of Florida, and served at 5:30 p.m. 8/10/72. During search 55 wrist rockets manufactured by the Saunders Archery Company and three strips of shipping tape with words "Saunders Archery Company, Columbus, Nebraska," printed thereon were seized. These items being processed as evidence and being mailed to FBI headquarters this date (8/11/72) for fingerprint processing by FBI Identification Division.

He voluntarily terminated his employment with the Wang Dang Doodle Shop sometime during the first or second week of July 1972. He did not recall the exact date. He declined to answer whether he joined VVAW. He does not recall a meeting at Gainesville, Florida, on *insert date redacted*. He denied being a VVAW member but said he supports that organization's cause. He refused to discuss that cause.

He claimed he did not participate in a VVAW meeting Florida, during *

during the latter part of June, 1972. He originally placed the order by telephone but does not recall the name of the individual with whom he placed this order. He recalls receiving the entire shipment sometime during the first week of July, 1972. He did not personally receive it inasmuch as he was not available at the store when United Parcel Service (UPS) attempted to make delivery. UPS left the shipment at Wise's Drug Store located next door to the Wang Dang Doodle Shop. When [redacted] returned to his shop he found a note advising him where UPS left the shipment. He immediately went to Wise's Drug Store, picked up the shipment and carried it to his shop where he said it still remains.

He sent Saunders Archery Company a check for approximately $116.00 to cover the charges. He said the check was drawn against his shop's account at the First National Bank, Gainesville, Florida.

He said he placed the order for the wrist rockets on his own accord explaining he felt it was a good item to improve business at the Wang Dang Doodle Shop. He was unable to explain why he used sporting goods such as the wrist rockets to improve business in a licensed "merchants retail store". He didn't feel he violated the conditions of the license.

[redacted] said he is unable to authorize a consent to search the premises of the Wang Dang Doodle Shop inasmuch as he is no longer an employee. He advised this authorization can only be obtained from the owners.

[redacted] refused to be a witness for the Government, saying he holds the Government in low esteem.

He does not recognize the names of or "WANG DANG DOOOLL."
He initialed photographs three and four.
A confidential source was shown a display of seven photographs of white males with medium to long hair. These photographs were numbered one through seven consecutively and were described with the following names on the reverse side:

- Photograph #1
- Photograph #2
- Photograph #3
- Photograph #4
- Photograph #5
- Photograph #6
- Photograph #7

He immediately reached for photograph three and said words to the effect that he was 85 percent sure that this photograph depicted the unknown white male.

He was then handed several black and white photographs of the same individual as in photograph three, and he picked out a side view of the same person and said that this side view was a better identification of that person, and said that he was then 100 percent sure that the photograph was identical to the person.

He initialed photograph three and the black and white photograph which he said was the best representation of the individual.
